Dear Church of God, greetings to you all in the precious name of our Lord Jesus Christ. God has graciously led us into the final months of the year 2026, and His guidance has been wonderful. We are all thankful to God, who graciously grants us what we ask of Him. The origin of the Bible, the Word of God that we hold in our hands, is truly wonderful. It came into being through divine inspiration.

The Bible is like a small library, containing many books written by different authors. They lived in different periods, countries, and circumstances over a span of approximately 1,500 years. The common theme in their writings is the revelation of God's purpose for humanity. The writer of the Epistle to the Hebrews briefly explains this purpose: "In the past God spoke to our ancestors through the prophets at many times and in various ways, but in these last days He has spoken to us by His Son, whom He appointed heir of all things, and through whom also He made the universe" (Heb 1:1-2).

The Bible clearly explains the need for humanity to be reconciled with God and for people to live in harmony with one another. It is the divine message that God has given to humanity.

The Bible proclaims God's plan of salvation, fulfilled through Jesus Christ. Therefore, the Apostle Paul briefly explains in his second letter to Timothy: "All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness" (2 Timothy 3:16-17). The Bible is the divinely inspired Word of God. May God abundantly grant His grace to all of us, as we learn the truths of His Word, read it, believe in it, and prepare to enter His eternal Kingdom. I pray that God will protect everyone and bless us all with good health and well-being.

With Blessings
